Due to the current Corona pandemic situation, we would confirm your participation in our Advent brunch but not, as in previous years, fixed seats.

We ask for your understanding that we have to adjust any table reservations and seats to the constantly changing requirements of the regulations of the Free and Hanseatic City of Hamburg. Even if we already have your complete address and contact data, you will have to register again here on Advent Sunday (by QR-Code Scan or in written form), so that we can forward the data to the public health department in case of an emergency to prevent a further spread of CORONA. The health of our guests is as important to us as that of our employees and has absolute priority!

We currently reserve the right to decide at short notice whether the Advent brunch will take place in our festival rooms or in our restaurant HORIZON. This depends on the distance & hygiene rules prevailing on the day of the event and the number of participants booked. In case of drastic changes regarding the Corona-Hygiene-Rules, which make it impossible to hold the event (or if the number of participants is too low), the hotel has the right to cancel the brunch event at short notice free of charge.
